

APNL Continuing Education Events

Spring 2017

Thursday, May 25

Fluvarium, St. John's, NL

(8:30am-4pm) ***Cognitive Therapy for Treatment of OCD***

with Dr Adam Radomsky (Concordia University)

(registration 8am)

Join Dr Adam Radomsky in a workshop reviewing the theoretical and empirical work conducted on the psychopathology and treatment of different manifestations of OCD, followed by practical instruction on the cognitive-behavioural assessment and treatment of a variety of forms of the disorder, with particular emphasis on obsessions, compulsive checking, and contamination-based OCD (mental contamination). Attendees will learn about cognitive case formulation, the importance of ongoing assessment, and specific therapeutic interventions (with emphasis on behavioural experiments), all following from cognitive-behavioural models of OCD.

*additional details of this presentation will be available soon on the www.apnl.ca website.

Please note that coffee and tea will be provided, but there will be a lunch break, and lunch is on your own
